## Bond offer

### Terms and Conditions of Offer

#### 1. Definitions

- 1.1 Save where the context otherwise requires, words and expressions used in the Offer Document issued alongside these Terms and Conditions have the same meaning when used in these Terms and Conditions.

#### 2. Eligibility

- 2.1 The Offer is drawn up for and is expected to be accepted by UK residents and is subject to English law and the jurisdiction of the English courts. Non-UK residents must take responsibility for any law or regulation, which may have a bearing in their own country, on any aspect of an application in response to the Offer.
- 2.2 Applicants must be 18 years or older in order to apply. Organisations may also apply for the Bonds through an authorised representative.
- 2.3 The minimum investment per Applicant is £500 or £250 if the Applicant possesses a Cambridge postcode.
- 2.4 If you wish to apply for Bonds on behalf of a child or grandchild who is under 18, please apply for the Bonds in your own name, and inform Electric Blue of your intention to hold the Bonds on behalf of your nominated person by emailing [help@ethex.org.uk](mailto:help@ethex.org.uk). Please see the Offer Document for further information.

#### 3. Offer Document and Bond Instrument

- 3.1 Before making a decision to invest Applicants should read the whole of the Offer Document, **including the risks set out on pages 40-42** and the Bond Instrument under which the Bonds will be issued, as well as these Terms and Conditions. Applicants should be aware that their capital is at risk and they may wish to take appropriate independent financial, tax and other advice before deciding to apply.
- 3.2 The Offer Document and these Terms and Conditions have been approved as a financial promotion for the purposes of Section 21 of the Financial Services and Markets Act 2000 by Bates Wells & Braithwaite London LLP, a firm of solicitors authorised and regulated by the Financial Conduct Authority (registered FCA number 466148).
- 3.3 The Offer should only be considered by Applicants on the basis of these Terms and Conditions and the Offer Document and Bond Instrument. Any previous versions of the Offer Document, Bond Instrument and these Terms and Conditions should be disregarded.

#### 4. Offer timetable

4.1 The Offer opened on 14 November 2018, and was due to close on 18 January 2019. It was extended by the Directors to 30 June 2019. The Offer will be closed early in the event that Applications amounting to the Maximum Sum (£500,000) are received. At the discretion of the Directors, the Offer Period may be extended.

4.2 Applicants may stay informed of the progress of the Offer through the information available at ethex.org.uk.

## 5. **Application procedure**

5.1 An Application for the Bonds may only be made by completing an online form on ethex.org.uk or by completing a hard copy form provided by Ethex (an “**Application Form**”). By completing an Application Form, an Applicant offers to apply, on these Terms and Conditions, for the number of Bonds specified, or such lesser number as may be accepted by the Directors. Photocopied, scanned or faxed copies of the Application Form will not be accepted. Incomplete or inaccurate Application Forms may be accepted as if complete and accurate.

5.2 Once an Application has been made it cannot be withdrawn by the Applicant.

## 6. **Procedures on receipt of Applications**

6.1 Acceptance of Applications is at all times subject to the discretion of the Directors.

6.2 Applications will be considered by the Directors on a first come, first served basis. If Applications are received in excess of the Maximum Sum, priority will be given to applicants who possess a Cambridge postcode and the Directors reserve the right to scale down and/or refuse some Applications in order to give effect that priority.

6.3 No interest is payable on submitted Application Funds which become returnable.

6.4 Electric Blue and Ethex reserve the right not to enter into correspondence with Applicants pending the issue of Bond Certificates or the return of Application Funds.

6.5 Ethex reserves the right to present all cheques for payment on receipt, or for online transfers, apply a credit to the account from which your application payment was made and to retain surplus Application Funds pending clearance of successful Applicants' payments. If you post a cheque, you are recommended to use first class post and to allow at least two working days for delivery.

6.6 Remittances of Application Funds must be capable of being honoured on first presentation. If such remittance is not so honoured, an Applicant will not be entitled to receive a Certificate in respect of the Bonds applied for or to enjoy or receive any rights or distributions in respect of any Bonds unless and until he or she makes payment in cleared funds for such Bonds and such payment is accepted by Electric Blue (which acceptance shall be in its absolute discretion and shall be on the basis that he or she indemnifies Electric Blue against all costs, damages, losses, expenses and liabilities arising out of or in connection with the failure of the remittance to be honoured on first presentation). Prior to acceptance by Electric Blue of such late payment in respect of such Bonds, Electric Blue (without prejudice to any other rights) may avoid any agreement to allocate such Bonds to him or her and may allocate such Bonds to some other person, in which case he or she will not be entitled to any refund or payment in respect of such Bonds (other than the refund to

him or her at his or her risk of any proceeds of the cheque accompanying this application, without interest).

## 7. **Pricing, trading and dealing arrangements**

Bonds will not be traded on a recognised stock exchange but Bondholders may arrange to transfer bonds to others, including through the platform offered by Ethex. The offer is the only market offering in respect of the Bonds.

## 8. **Confirmations by applicants**
